

NHS Supply Chain

Consumables and accessories for use within audiometry, tympanometry, OAE, ABR, hearing aid fitting and balance.

Compatible with all leading Demant Group and third-party manufacturers including:

Interacoustics | Grason Stadler (GSI) | Madsen/Natus | MAICO | Otodynamics | MedRx

For everyone

For everyone

What we offer

We specialise in the supply of high-quality consumable products and accessories for the NHS Supply Chain contract, covering all audiometry, tympanometry, OAE, ABR, hearing aid fitting and balance requirements.

At Amplivox our goal is to make it simple and affordable for audiologists and hearing care professionals to buy competitively priced products. Purchasing audiological consumables through the NHS supply chain portal offers reduced administration costs and faster delivery schedules.

As part of the Demant Group we offer a wide range of products manufactured to the highest quality, ensuring organisations minimise the risk of infection and optimise the performance of equipment and workflows.

All our products are designed to be compatible with all Demant Group manufacturers and most third-party suppliers including:

Interacoustics | Grason Stadler (GSI) | Madsen/Natus | MAICO | Otodynamics | MedRx
