Your hearing · Our passion

# Meet your hearing care professional without leaving home

Wearing hearing aids can be a very positive life-changing experience. They empower us to connect with people. And they help us take part in those moments we don't want to miss out on. Together with your hearing care professional, you make sure that your

hearing aids are well fitted, programmed, and adjusted to meet your hearing needs.

**Now with Bernafon Remote Fitting, you can meet your hearing care professional online over your mobile phone or tablet.**

Remote Fitting is an ideal tool to make routine adjustments to your hearing aids and online consultations with your hearing care professional without the need for you to go to the clinic.

With the Bernafon EasyControl Connect app on your mobile phone or tablet, you can now have online appointments and Remote Fitting sessions with your hearing care professional.

Experience the following benefits:

- Stay at home for follow-up consultations and counseling with your hearing care professional
- Get your hearing aids adjusted remotely
- Test new hearing aid settings in real life
- Reach out for support and help from the convenience and safety of your home

# An easy way to keep in touch

Join an online appointment with your hearing care professional over the Bernafon EasyControl Connect app.

Together, you can benefit from the following Remote Fitting functionalities:

**Hearing aid fine-tuning:** Your hearing care professional can adjust your hearing aids online in real time

---

**Video calls:** Set up a video call to have face-to-face conversations with your hearing care professional

---

**Phone calls:** Talk to your hearing care professional with the camera turned off, if you prefer

---

**Chat box:** Use the chat function to exchange short text messages

Download the Bernafon  
EasyControl Connect app now
