Assignment of Benefits

For Medicare Beneficiaries:
I understand that Medicare pays for sound processor implants and related surgical services under certain conditions. I understand that Oticon Medical will inform me in advance as to whether it expects Medicare to approve or deny coverage for the services I am seeking given my medical condition and other circumstances. I also understand that I may elect to receive a service from Oticon Medical, even if Oticon Medical believes that coverage by Medicare is unlikely.

If I receive sound processor implants and/or related services from Oticon Medical, by signing this form, I authorize and assign Oticon Medical the right to pursue and receive payment from Medicare, as well as the right to pursue all administrative appeals and litigation, and any other causes of action as necessary to pursue payment. I understand that even if Medicare pays Oticon Medical for the service provided to me, I may be responsible for a deductible, coinsurance, copayment, or other payment amount under the Medicare program rules. I understand that Oticon Medical may bill me for that amount, and I assume responsibility for its payment in full. I also understand that if I receive a service that Medicare does cover under any circumstances, or for which Medicare denies payment because of my medical condition and/or other circumstances, I may be billed by Oticon Medical for the cost of the services rendered to me and I assume responsibility for payment of the billed amount in full. I also understand that if Medicare denies payment for a service I have received, I have the right to appeal that determination.

For All Other Beneficiaries:
I authorize and assign Oticon Medical the right to pursue and receive payment from my insurance carrier, as well as the right to pursue all administrative appeals and litigation, and any other causes of action as necessary to pursue payment related to my receipt of sound processor implants and/or related services from Oticon Medical.

Financial Liability

I understand that if my health insurance does not provide coverage for, or denies payment for, any of the services provided to me, Oticon Medical may bill me for those services, unless doing so would be prohibited by state or federal law, and I assume responsibility for payment of the billed amount in full. I also hereby transfer and assign to Oticon the proceeds of any claim, proceeding, suit and/or action for damages payable to me, my representative or my estate, up to the cost of those services provided to me by Oticon Medical not covered by my health insurance.

I certify that the financial and insurance information I supplied is correct and that I have been informed of my financial obligations.

Use of Information

I understand that my signature on this form gives Oticon Medical the authority to use and/or release my protected health information for treatment, payment and health care operations and as further set forth in the Notice of Privacy Practices. I have received a copy of patient handouts that include the notice of privacy practices (requires signature), description of services – including how to contact the company and how to file a grievance or complaint, patient bill of rights and responsibilities and Medicare supplier standards.

I certify that I have read these documents/policies and my signature indicates my understanding and consent.
