

Empower Your Practice

Oticon Medical Partners with Your Hearing Network

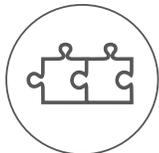

Your Hearing Network is a nationwide hearing health care network designed to connect patients with hearing loss to local hearing professionals. Verifying and submitting insurance claims is time consuming and frustrating, and can have a huge impact on your profitability. Did you know? Up to 25% of claims are rejected or denied on the first pass.* The good news is that Your Hearing Network has the team of experts to manage claims verification and claims submission for you!
